Dear colleagues,

It is our pleasure to announce the 4th international meeting on lung transplantation to be held on 4 March 2016 at Hospital Universitario Puerta de Hierro Majadahonda.

This edition we will have the privilege to share the knowledge and experience of international experts in the diverse topics that will be covered (extracorporeal membrane oxygenation, pediatric lung transplantation, donation after cardiac death, ex vivo lung evaluation, chronic and humoral lung rejection), ensuring stimulating and useful debate.

We would like to welcome you in Madrid.

We hope you will enjoy the city and take back home valuable information.
